## Chapter 1 by Darkforest

Hi, My name is Jared. When I was 13 years old I hit a rough patch in life. From there I just spiraled further into darkness. When I was Fifteen I tried my first suicide attempt. I was on the top of a building in New York. That's where I was living at the time and I just couldn't take the darkness anymore. I jumped and fell 94 stories. I landed on a cab. Alive. I cant die and I have been trying in every way possible. I'm 22 now and have made 100 suicide attempts. They have all failed. No one cares and no one will ever care about me. So I have just learned to deal with it. I care for no one and I have no purpose in life. I'm just searching for what to do next.
